CELEBRATING EXCELLENCE  
20 YEARS LATER, 20 YEARS YOUNGER

# IMCAS

20 Years at the Leading Edge of International Innovation

*Join the celebration!*

Every year IMCAS travels to the best destinations around the world before returning home to Paris for its Annual World Congress. IMCAS 2018 will be a particularly special homecoming, as we will be celebrating our 20<sup>th</sup> anniversary.

Be part of this landmark event, as IMCAS marks two decades of being at the forefront of multi-specialty conferences dedicated to aesthetic science.

This year promises to be IMCAS's most impressive Annual World Congress to date. A record 8,000 delegates, from dermatology, plastic surgery, and related professions, will be seizing this exceptional opportunity to explore the hottest topics related to the medical aesthetic field.

Join us as we analyze innovative technical procedures, discover cutting edge products and devices, and explore up-to-the-minute marketing and management approaches. Our rich three-day program covers all the angles, so you return to your practice and patients with a complete picture of the latest advances in our domain.

In addition to hundreds of the world's experts and innovators sharing their insights, IMCAS Annual World Congress will also host 250 international exhibiting companies. Join us to make valuable professional connections, while gaining up-to-the-minute knowledge of your field.
