& AGING SCIENCE**

SPONSOR GUIDE

23RD WORLD CONGRESS

At Palais des Congrès de Paris and through www.imcas.live

DEAR PARTNERS

Welcome to the homecoming edition! The much-awaited IMCAS Congress returns to the Palais des Congrès in Paris from June 3 to 5 alongside full virtual access online on IMCAS.Live. We are thrilled to finally welcome our loyal community back to take advantage of the congress spread out over 14 parallel conference rooms and 2.5 levels of exhibition space.

IMCAS remains the way you love it with its unmissable physical meeting in Paris, and in addition offer virtual visibility with an array of digital products. As well as meeting clients on your booth, your complimentary online company listing and participation through the IMCAS.Live virtual platform enables you to easily handle and capture leads from all over the world.

As always, our real-time interactive map is available online for you to identify your perfect booth location and the updated product catalog provides you innovative ways to build and further your sponsorship. Browse the catalog to see the novelties, this year we are boasting new products such as;

- Educational grants on focused series re-aligned according to scientific themes
- Brand new symposia durations and formats
- Story on the IMCAS Instagram account to get maximum exposure with our social media-savvy population
- Updated “kits” to ensure you get all the essentials without hassle!

If you invest in a product as part of a session, time and location are no longer a boundary – attendees have full access to all sessions for 2 weeks following the congress – the potential audience size for your session now grows exponentially beyond the number of seats within a conference room. Let your imagination do the rest!

Thank you for inspiring us with your support, solidarity and drive for progress. We have embraced these challenging times as a learning and growing opportunity, and now we are ready to bring you an event of exceptional quality.

We can't wait to collaborate with you in Paris for this hybrid edition!

The IMCAS World Congress Industry Team

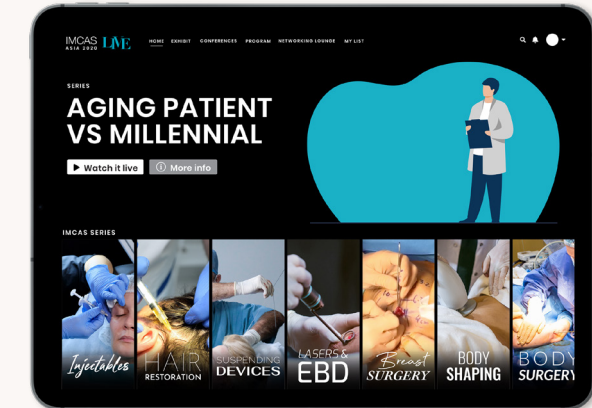

14 ROOMS
280 LEARNING HOURS
720 SPEAKERS
MULTI-LOCATION STREAMING
IMCAS.LIVE VIRTUAL EXPERIENCE

NEW

IMCAS is unleashing the digital momentum that has been building since 2016 on IMCAS Academy with IMCAS **LIVE**

Prepare for a revolutionary user experience to accompany IMCAS World Congress 2022.

the virtual complement

The IMCAS.Live platform is available for all attendees to complement their physical attendance, to provide the best real-time learning and networking experience off the congress floor with innovative features such as:

informative

- Livestream of all scientific sessions tailored to multiple time zones
- Program & speaker details for each session in one click
- Search options by topic, theme or format
- Real-time notifications & updates
- Replay of all sessions including symposia available for 2 weeks post-event

interactive

- Agenda preparation and appointment scheduler ahead of congress to save time
- Live chat with participants who contact you through the company profile
- Multiple chat tabs for different discussions
- Intuitive back office to handle all new enquiries and capture leads
- Direct questions from audience to speakers during the Q&A of any scientific session

tailored

- Customizable personal profile
- Personal list of the sessions, speakers or sponsors of interest can be saved ahead of time
- Options to add to enrich your company profile
- Exhaustive FAQ to answer all your questions
- Help available through real time chat for personal assistance

TERMS AND CONDITIONS

PURCHASE PRIORITY

All orders are subject to product availability. In case of overbooking, purchase orders will be processed on a first-come, first-served basis. In case of a prior offer of the same product at the time of its receipt, IMCAS reserves the right to withdraw the product chosen. In such event, IMCAS will get in contact to notify and discuss further alternative options.

ORDER CONFIRMATION

By submitting the Purchase Order through our online portal, the buyer formally makes a legally binding offer to IMCAS. On your email, you will be immediately acknowledged with the corresponding invoice. Within the following 72 hours after its receipt, the asked deposit should be paid.

PAYMENT TERMS

Payment deadlines:

- Booking before 30th October, 2021:**
- 50% payment upon reception of invoice & 50% balance before 30th October
- Booking after 30th October, 2021:**
- 100% upon reception of the invoice

PAYMENT OPTIONS

- by bank transfer (bank data references will be attached to the invoice), or;
- by credit card (Mastercard, Visa or American Express) additional fees will be applied

Nota: payment failure within deadline will automatically offset your order and the products will be released and made available for booking by other registrants.

CANCELLATION

Cancellation must be made in writing.

Cancellation received before 30th October, 2021:
- 50% of the invoice total amount is charged as a cancellation fee*

Cancellation received after 30th October, 2021:
- 100% of the invoice total amount is charged as a cancellation fee* (no refund for the payment already made)

Nota:

- payment failure for the cancellation fee will lead to a low credit rating which will affect your next participation on all of our future congresses
- if the congress is in HYBRID FORMAT (on site and online), and in case of a Force Majeure on the exhibitor's side publicly assessed by their local authorities, the exhibitor can:

- choose to change the booth space to virtual products. The sum of the virtual products must reach at least 40% of the initial booth cost and any difference will be refunded by IMCAS.
- all other products are not eligible for any refund, but may be exchanged* for virtual products
- should the sponsor opt not to switch their participation to virtual, general cancellation policies rules as set above will apply

*not applicable for any products which have already been delivered

PROGRAM MODIFICATION

Please note that while speakers, exhibitions and sessions were confirmed at the time of publishing, circumstances beyond the control of the Organizers may necessitate substitutions, alterations or cancellations.

As such, IMCAS reserves the right to alter or modify the advertised speakers, exhibitions and sessions if necessary, without liability. Any substitutions or alterations will be updated on our portal and notified as soon as possible.

LIMITATION OF LIABILITY - FORCE MAJEURE

IMCAS shall assume no liability whatsoever in the event the congress is cancelled, rescheduled OR changed into another format as a result of a "Force Majeure" event beyond its reasonable control. For the purposes of this clause, Force Majeure events shall include, but not limited to general and labor strikes, invasions, hostilities, war, rioting or similar situations, health emergencies, acts of government or state* such as lockdown and quarantine measures, immigration and transport or on site restrictions, and acts of nature such as fires, floods, extreme weather or other emergency.

A- If IMCAS determines that the congress needs to be cancelled as a result of a Force Majeure event, the refund policy applied will depend on the conference format:

1. HYBRID FORMAT (onsite & online) -
cancellation before 26th November, 2021:
90% refund**
cancellation after 26th November, 2021:
50% refund**
2. VIRTUAL FORMAT (online only) -
cancellation before and after date of invoice: 100% refund**

B- If IMCAS determines that the congress needs to be rescheduled as a result of a Force Majeure event, registration remains binding and registrant will be entitled to participate to the rescheduled congress without any further refund right. If the registrant is not able to assist to the rescheduled congress, general cancellation policies rules as set above will apply.

C- If IMCAS determines that the congress needs to be switched from HYBRID to VIRTUAL format as a result of a Force Majeure event, sponsor may go for choice 1 or choice 2:

Choice 1. Sponsors keep all of their ordered products which are deliverable in the virtual format, and any undeliverable (physical) products will be refunded. The sum of the updated investment total must reach at least 40% of the initial investment.

Choice 2. Should the sponsor opt not to switch their participation to virtual, general cancellation policies rules as set above will apply.

IMCAS shall assume no further obligation to refund any travel or accommodation expenses incurred by the registrant in case the event is cancelled, rescheduled, or changed into another format as a result of a Force Majeure event.

*government or state means both "France and the country where the concerned conference is held"

**no refund for any products which have already been delivered

GOVERNING LAW

The construction, validity and performance of the present terms are exclusively governed by the laws of France (which is the home country of the mother company COMEXPOSIUM HEALTHCARE) without reference or regard to principles of conflicts of law. The parties submit to the exclusive jurisdiction of the courts of France, located in Paris.
