SUR RENDEZ-VOUS

Paris,

Le 08 octobre 2018

Dear ISHRS Membership Chair and Board of Governors,

I am writing to recommend Dr Martial Bodnar, as a candidate for membership within the International Society of Hair Restoration Surgery (ISHRS).

He is a plastic surgeon and has a current medical license in France.

The candidate is very interested in hair restoration surgery.

I strongly recommended Dr Martial Bodnar for membership.

Warmest Regards

Dr Pierre Bouhanna, FISHRS

Director of the University Diploma for Scalp Pathology and Surgery (Paris VI University)
