Welcome to

# IMCAS AMERICAS 2024,

we're thrilled  
to see you here!

*We continue to pursue our unwavering goal of highlighting and sharing the latest advancements in dermatology, plastic surgery, and aging science. Where better to showcase recent innovations than here on an international stage, in São Paulo!*

*Our Scientific Board has created a stellar program this year. Our program, brimming with trending topics in the field such as regenerative medicine, body treatments, and live anatomy, culminates in 135 sessions with 200 expert speakers!*

*As always, the IMCAS objective is to offer cutting-edge advancements, tools, and techniques to further our medical community and expand the horizon of individual and collective knowledge.*

*We accomplish this by blending both established, core methods with promising research and breakthroughs, to create a truly unique program and learning experience.*

*Alongside our meticulously cultivated session program, we also are proud to be hosting 70 exhibiting companies from all around the world. IMCAS Americas isn't just for high-quality learning and business opportunities, but connections as well!*

*Say bem-vindo to your fellow participants and swing by the Networking Cocktail to take advantage of the full IMCAS experience!*

*Without further ado, we proudly unveil the 6th edition of IMCAS Americas, and uncover the innovation and science that await!*

*With special thanks  
to our Scientific Secretaries*

Bem-vindo ao

# IMCAS AMÉRICAS 2024,

estamos entusiasmados  
por ver você aqui!

*Continuamos a perseguir nosso objetivo inabalável de destacar e compartilhar os mais recentes avanços em dermatologia, cirurgia plástica e ciência do envelhecimento. Onde melhor para mostrar as inovações recentes do que aqui em um palco internacional, em São Paulo!*

*Nosso departamento científico criou um programa excepcional este ano. Nosso programa, repleto de tópicos em alta no campo, como medicina regenerativa, tratamentos corporais e anatomia ao vivo, culmina em 135 sessões com 200 palestrantes especialistas!*

*Como sempre, o objetivo do IMCAS é oferecer avanços de ponta, ferramentas e técnicas para fortalecer nossa comunidade médica e expandir o horizonte do conhecimento individual e coletivo.*

*Conseguimos isso misturando métodos estabelecidos e fundamentais com pesquisas promissoras e avanços, para criar um programa e experiência de aprendizado verdadeiramente únicos.*

*Ao lado de nosso programa de sessões meticulosamente elaborado, também estamos orgulhosos de sediar 70 empresas expositoras de todo o mundo. IMCAS Americas não é apenas para oportunidades de negócios, mas também para conexões! Dê as boas-vindas aos seus colegas participantes e passe pelo Coquetel de Networking para aproveitar ao máximo a experiência completa do IMCAS!*

*Sem mais delongas, orgulhosamente revelamos a 6ª edição do IMCAS Americas e lhe desvendamos a inovação e a ciência que aguardam!*

*Agradecimentos especiais aos  
nossos Secretários Científicos*

# IMCAS FUND

The IMCAS Fund mission statement is to further the advancements of science, sustainable innovation, and research in dermatology, plastic surgery, and aging science.

A missão da IMCAS Fund é promover o avanço da ciência, da inovação sustentável e da pesquisa em dermatologia, cirurgia plástica e ciência do envelhecimento.

*“Research is fundamental to achieving development in the dermatological and plastic surgery fields, and the importance of development in these fields cannot be overstated. The symbiosis between medical researchers and practitioners should be encouraged, for together we grow as a community and support medical research, which in turn will help practitioners better serve their patients.”*

Dr Peter VELTHUIS, DERMATOLOGIST, PhD, Netherlands

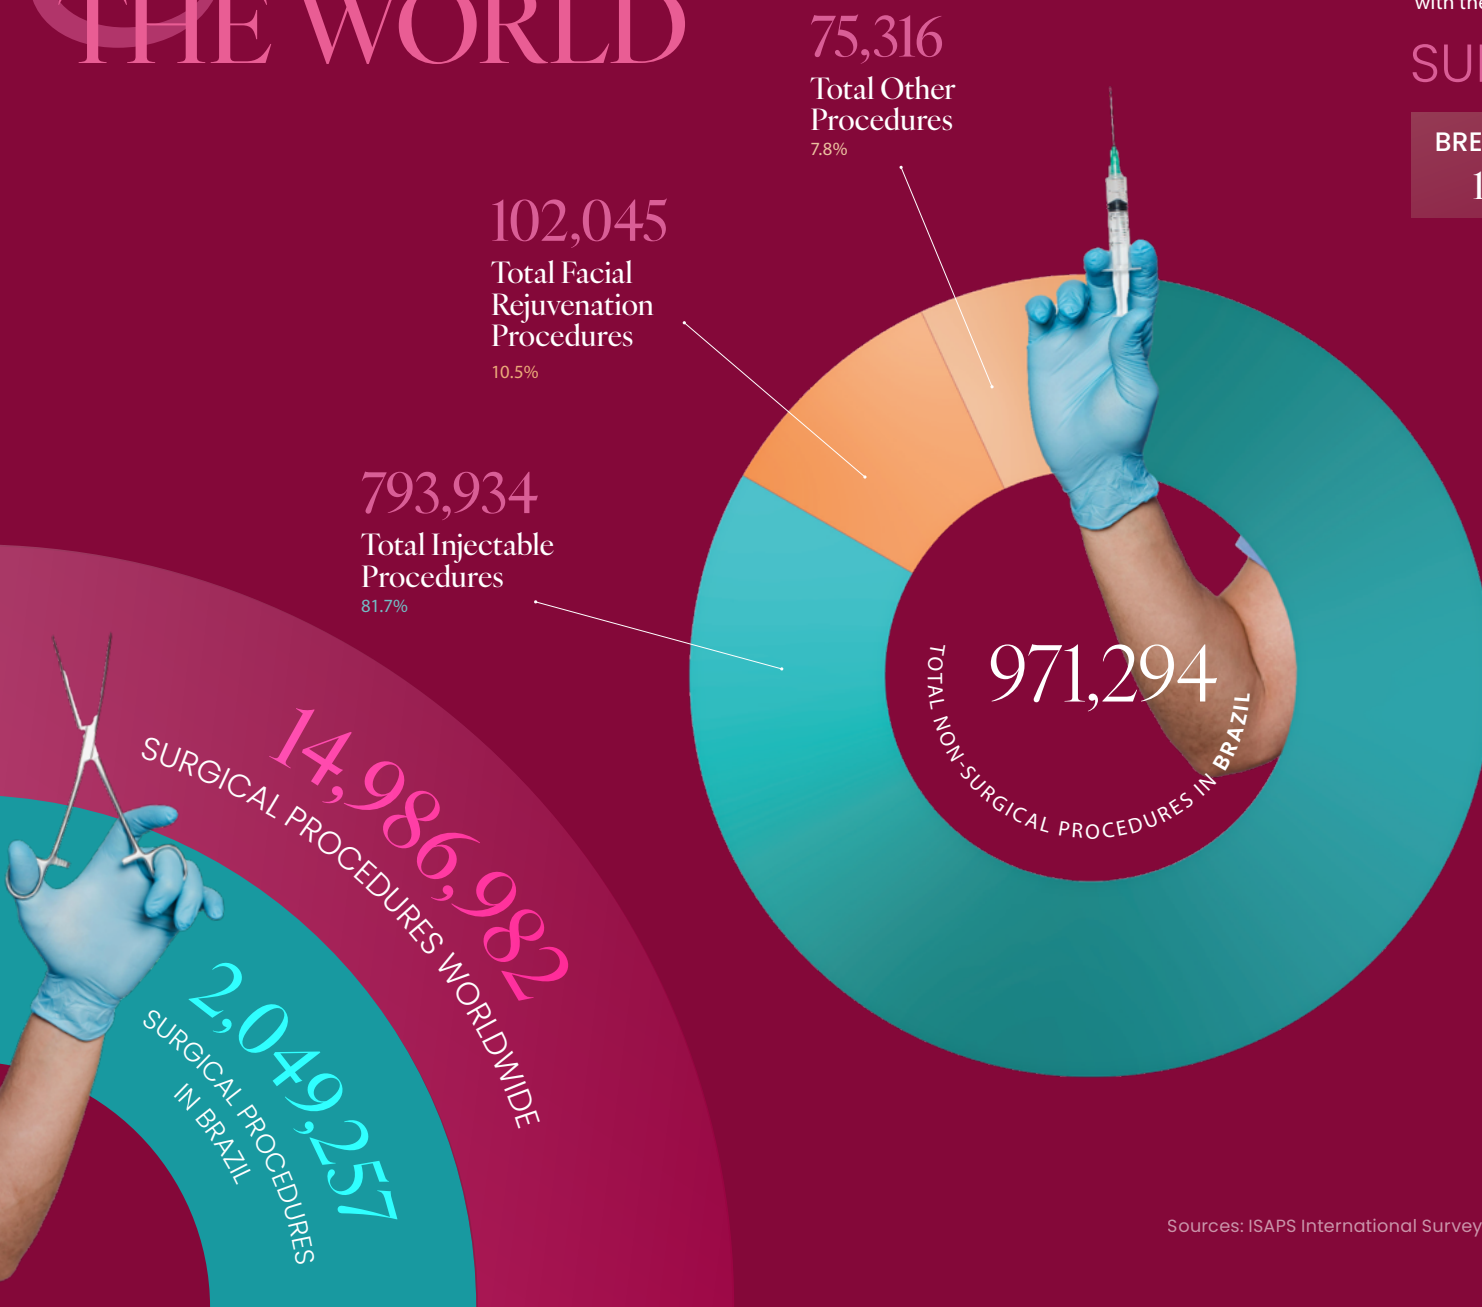

*“A pesquisa é fundamental para alcançar o desenvolvimento nos campos da dermatologia e cirurgia plástica, e a importância do desenvolvimento nesses campos não pode ser subestimada. A simbiose entre pesquisadores médicos e profissionais deve ser incentivada, pois juntos crescemos como comunidade e apoiamos a pesquisa médica, que por sua vez ajudará os profissionais a servir melhor seus pacientes.”*

Dr Peter VELTHUIS, DERMATOLOGISTA, PhD, Países Baixos

The IMCAS fund is a non-profit organization whose purpose is to receive and manage funds to finance selected projects.  
A IMCAS Fund é uma organização sem fins lucrativos cujo propósito é receber e gerenciar fundos para financiar projetos selecionados.

# MAKING AN IMPACT WITH TRANSPARENCY, ETHICS, & SCIENCE

## TRANSPARÊNCIA, ÉTICA E CIÊNCIA

At IMCAS, our goal is to uphold the established guidelines within the world of medicine, and ensure that we host congresses that provide safe and accurate information. IMCAS Impact is our next step in maintaining our values in an even more impactful way.

Nós nos mantemos ao mais alto padrão para cada Congresso IMCAS. Ano após ano, buscamos nos alinhar com as diretrizes mantidas pelos sistemas estabelecidos e oficiais dentro do mundo da medicina. Isso nos ajuda a alcançar nosso objetivo de garantir que atendamos aos requisitos para a realização de congressos que forneçam informações seguras e precisas.

# GENERAL INFO

## ACCIDENTS, DAMAGES, AND LOSSES

IMCAS and the World Trade Center Sao Paulo are not responsible for any damages and/or losses that may occur during the official conference and social programs. All Congress attendees participate at their own risk and are advised to insure themselves against any loss, accident, or damages that may occur during the conference. Verbal agreements are not considered binding, unless confirmed in writing.

## BADGE ACCESS

IMCAS welcomes all professionals active in the world of medical aesthetics, including physicians and all related corporate professional. Access to conference rooms is restricted to each respective badge category and the verified medical specialty of each participant.

The purchase of a badge in an individual's name is nontransferable. All badges must be scanned to confirm verification before entering a specific area. Please refer to the registration form for badge categories, access type, and the IMCAS cancellation policy.

## CERTIFICATE OF ATTENDANCE

Delegates, faculty, and contributing speakers can obtain a Certificate of Attendance at the end of IMCAS Americas 2024. Each registered participant is asked to fill in the online evaluation form within the next 30 days on [www.imcas.com](http://www.imcas.com). Once submitted, the certificate of attendance will be made available for download.

Scan to download your  
Certificate of Attendance  
Available as of Day 2!

## CONFLICT OF INTEREST

IMCAS values transparency in all scientific courses. As part of IMCAS' COI policy, each speaker is required to disclose any sponsorship or commercial bias within their presentation. The COI policy applies to all Congress speakers and contributors involved in the scientific program, including faculty and members of the Scientific Board.

The content within the Scientific Program consists of both sponsored and non-sponsored session material by means of educational grants and direct sponsorships. To learn more about the program, please refer to page 30.
