In such event, IMCAS will get in contact to notify and discuss further alternative options.

ORDER CONFIRMATION

By submitting the Purchase Order through our online portal, the buyer formally makes a legally binding offer to IMCAS. On your email, you will be immediately acknowledged with the corresponding invoice. Within the following 72 hours after its receipt, the asked deposit should be paid.

- choose to change the booth space to virtual products. The sum of the virtual products must reach at least 40% of the initial booth cost and any difference will be refunded by IMCAS.

PROGRAM MODIFICATION

Please note that while speakers, exhibitions and sessions were confirmed at the time of publishing, circumstances beyond the control of the Organizers may necessitate substitutions, alterations or cancellations.

As such, IMCAS reserves the right to alter or modify the advertised speakers, exhibitions and sessions if necessary, without liability. Any substitutions or alterations will be updated on our portal and notified as soon as possible.

LIMITATION OF LIABILITY - FORCE MAJEURE

IMCAS shall assume no liability whatsoever in the event the congress is cancelled, rescheduled OR changed into another format as a result of a "Force Majeure" event beyond its reasonable control. For the purposes of this clause, Force Majeure events shall include, but not limited to general and labor strikes, invasions, hostilities, war, rioting or similar situations, health emergencies, acts of government or state* such as lockdown and quarantine measures, immigration and transport or on site restrictions, and acts of nature such as fires, floods, extreme weather or other emergency.

A - If IMCAS determines that the congress needs to be cancelled as a result of a Force Majeure event, the refund policy applied will depend on the conference format:

1. PHYSICAL (onsite) and HYBRID FORMAT (onsite & online) -
cancellation before 29th July, 2022:
60% refund**
cancellation after 29th July, 2022:
50% refund**
2. VIRTUAL FORMAT (online only) -
cancellation before and after date of invoice: 100% refund**

B - If IMCAS determines that the congress needs to be rescheduled as a result of a Force Majeure event, registration remains binding and registrant will be entitled to participate to the rescheduled congress without any further refund right. If the registrant is not able to assist to the rescheduled congress, general cancellation policies rules as set above will apply.

C - If IMCAS determines that the congress needs to be switched from HYBRID to VIRTUAL format as a result of a Force Majeure event, sponsor may go for choice 1 or choice 2:

Choice 1. Sponsors keep all of their ordered products which are deliverable in the virtual format, and any undeliverable (physical) products will be refunded. The sum of the updated investment total must reach at least 40% of the initial investment.

Choice 2. Should the sponsor opt not to switch their participation to virtual, general cancellation policies rules as set above will apply.

IMCAS shall assume no further obligation to refund any travel or accommodation expenses incurred by the registrant in case the event is cancelled, rescheduled, or changed into another format as a result of a Force Majeure event.

*government or state means both "France and the country where the concerned conference is held"

**no refund for any products which have already been delivered
